Bright Little Girl Burned to Death.

On Saturday last the children of Mr. and Mrs. O. B. Logue, living at Bell's mill, were playing near the house and built a small oven in which they had started a fire. In some manner the dress of little three-year-old Louisa Maggie Logue caught fire. There was no grown person present, but the mother of the little girl hearing her screams ran out of the house and put out the fire, but not until the clothing had nearly all been burned from her body. Dr. Towler was summoned and did all he could to relieve the sufferings of the little one, but she died five hours after being burned. On Monday the body was taken to Concord, Clarion county, the former home of the parents, for burial. Mr. and Mrs. Logue have the sincere sympathy of all in this sad bereavement.—Marienville Express.
